

TROTTING MASTERS

Press Release

Due to the pandemia COVID-19 affecting all the countries members of UET, some important races have been removed from the international calendar and the transport of the best horses amongst Europe will be further disrupted in the coming months.

Consequently the Board of UET has decided not to organised the Masters circuit this year and the Finale, initially planned in Sweden (Solvalla) in October 2020 has been cancelled and removed from the international calendar adopted by the UET General Assembly in Paris in January 2020.

In the meantime, as decided in January, the Board will explore the conditions of the Circuit in 2021 in order to position the TROTTING MASTERS SERIES as one of the best way to promote trotting races all around Europe.
